Para Rowing Glory

For all the blasé big rowing nations to whom medals are normal business, there are dozens of countries to whom merely being on the podium is special. On Saturday 22nd June, that honour belonged to India's para-rowing pair of Narayana Konganapalle and Kuldeep Singh, who stayed ahead of Germany in the PR3 M2- final to claim bronze at the World Rowing Cup II, in Poznan, Poland. Not quite the country's first ever FISA medal, but it was India's second, ten full years after their LW4x claimed an historic bronze at the 2009 Munich world cup. The Indian Rowing Team participated for the first time in Para Rowing and won the historic Bronze Medal. Olympian Inderpal Singh accompanied the crew as coach.

They trained at the Army Rowing Node in Pune. In the coming months we expect to see a full-fledged squad representing India in both male and female categories of the Para events at the Asian Rowing Championships.

Sub Junior/Challenger

The 22nd Sub Junior & 4th Interstate Challenger Sprint National Rowing Championship was hosted by the Army Rowing Node in Pune from 7-11 June. There was record participation from our affiliates, with 500 rowers participating in 17 events in both male and female categories. Each year participation is on the rise, and with more states joining the Federation as members, this is definitely a good sign.
